Article published on January 27th 2012 | Travel Tips

UK tier 1 visa is for highly skilled migrant who wish to work in the UK for a specified period of time. You do not need a sponsor in order to be eligible for tier 1 visa. The following are the types of UK tier 1 visa:

â€¢ Tier 1 general is for highly skilled migrants who wish to find skilled employment in the UK. This visa replaces the existing HSMP scheme. You are awarded points for attributes including age, prospective salary and qualification.

â€¢ Tier 1 entrepreneur is for those investing in the United Kingdom by setting up or taking over a business and being actively involved in the running of one or more businesses in the UK. You must score 75 points, 10 points for English language and 10 points for available maintenance to qualify.

â€¢ Tier 1 investor is for those who wish to invest Â£1, 000, 000 in the United Kingdom. You must score enough points and send supporting evidence where appropriate. You are allowed to work in this category.

â€¢ Tier 1 post study work visa is for international graduates who have studied in the UK. This visa replaces the fresh talent working in Scotland, the international graduate scheme and the science and engineering graduate scheme. Post study workers are free to look for employment without having a sponsor for the length of their leave. Post study allows you to switch to another tier of the point based system as soon as you are able.

There is a huge increase in immigration to UK over the last decade due to politically motivated attempt to change the immigration rules. The system of immigration control in the UK splits those who have the right of abode in the UK and who can live and work and move out of the country as they wish and those who require permission in order to migrate to UK. You must have entry clearance in order to enter UK.

There are some rules which govern immigration to UK that must be satisfied before you can be granted leave to come to the United Kingdom. The rules require that most of the people coming to the UK will be able to support themselves without relying on public funds. The immigration rules also specify how long leave to remain in the UK should be granted. Leave to remain can be either limited or indefinite. Limited is granted to those migrating to the UK temporary and some of them can lead to indefinite leave with a possibility to apply for citizenship.
