An Entry into the World of Golden Triangle Attractions by Sonutch

Article published on November 26th 2011 | Vacations

Have you ever heard about a golden triangle made up of dashing attractions? If you havenâ€™t, know now!!

Golden triangle is basically the triangular circuit of a tour comprising of three cities like Delhi, Agra and Jaipur. Each of these cities has its own historical, cultural and many other charms blended with different styles taken from the earlier kings who had dominated India for years. Major styles of various important architectural monuments, Forts and Palaces in fact, reflect certain cultural resemblances with Persian and Indo-Islamic cultures.

There are many golden triangle in India attractions pulling thousands of tourists from across the country with its various astonishing destinations leading from Delhi, Agra to Jaipur. Beginning from Delhi, the national capital of India, which is comprised of many historical and cultural wonders providing various eye catching sites that have historical stories of hundreds years old. The major attractions in Delhi includes Qutab Minar, Lotus Temple, Akshardham temple, Red Fort, Parliament, Rashtrapati Bhavan, India Gate and many other sites in the form of various Museums.

Delhi has seen several ups and downs in its full formation attaining to this state; all the buildings and palaces indicate certain messages with their external appearances signifying cultures mixed within. The Red Fort shows a majestic look beautifully carved having vast history associated with it. It was built by Emperor Shah Jahan at the time when he had strong reign Vacations to India.

The next popular and touristâ€™s friendly destination where hundreds of international tourists pay visit is none other than the globally known Taj Mahal, having many beautiful and sweet stories behind it. The brightness and recognition earned by this monument has changed the whole facet of the city Agra. Agra is commonly known for this historical attribute of Shah Jahan who had built it as a mark of his endearing love for his wife Mumtaz Mahal. Taj Mahal is the most dream site among the golden triangle attractions to watch for any foreign tourist visiting Vacations India. This monument comprises of not only lovely tales but true to say, it provides one of the most heavenly experience to visitors under the open full moon light whose glowing rays reflect falling over the existing wonderful beauty of the Taj reflecting on the water body. It provides the sensational experience which creates romantic waves making people go crazy becoming romantic.

Agra Fort and Fatehpur Sikri are also equally important which distribute the architectural beauty fragrance attracting thousands of tourists. These sites are significantly worth visiting.

Another famous destination under golden triangle attractions having innumerable sites to enjoy is the well known city called Jaipur. Jaipur, the capital city of Holidays Rajasthan, is also popular by another name called the pink city. It was named so owing to the pink color with which the entire walls of the city were whitewashed as a mark of respect to the visiting Prince Albert and Elizabeth. Whitewashing with pink color has turned into a cultural trend that is observed even today. The major attractions available in Jaipur are the most popular Hawa Mahal, Jantar Mantar and Camel Safari. The entire tour of golden triangle attractions would be unsatisfying without having visited or experienced these wonders of Jaipur.
