Article published on July 5th 2012 | Vacations

Indian hill stations are beautiful in their own ways. The lush green surroundings the calm scenic beauty of the surrounding mountains and forests and the true call of nature everything about hill stations are perfect. They are the best resort from the cruel summer heat which seems to burning the entire nation. Summer vacations are the best part of oneâ€™s life and if you are looking forward to planning a holiday then hill stations are the best options available for you. The climate is cold there and it is the best way to escape the heat of your hometown.

Dharamshala is one of the best hill stations in India. Located in Northern India more specifically in the state of Himachal Pradesh, Dharamshala is one of the most beautiful hill stations you will ever find. Dharamshala Hotels range from low budget to moderate budget to high budget luxury hotels and resorts. Dharamshala hotels will not disappoint you in any way. They are the best place to spend some lone time or just relax in the calm weather of Dharamshala. Dharamshala is also the perfect place for trekking and adventure sports so you can get Dharamshala hotel deals which offer you this facility too. Dharamshala has many places of attraction too like Masrur cave temples and the Kangra Museum etc. There are a lot of temples surrounding Dharamshala and it is a great location for camping also.

If you are looking for a religious trip then Badrinath is the place for you. There are many Badrinath packagess which offer comfortable accommodations and all modern day facilities so that you might have a comfortable holiday. Badrinath is basically one of the Char Dhams and is the temple of Lord Vishnu. It is a highly sacred place and this temple is open to visitors till the month of October. After that the snow fills the gaps and it becomes difficult for cars or buses to pass through the mountain roads. All roads are blocked by snow, so summer is the best time to visit this beautiful place and spend some time in solitude in the Badrinath packagess. Badrinath packages generally include all the four dhams and as it is the last Dham you get to spend some extra quality time in its natural environment. It is a very popular place in India. Badrinath is also a part of Char Dham of Vishnu which is scattered in four parts of India. Badrinath is the Dham which is located in Northern India.

Matheran is another Hill station in India which is located in Maharasthra, Western India. Matheran is another beautiful hill station which can be added to already huge list of Indian hill stations. Hotels in Matheran are extremely comfy and have accommodation for single as well as family staying. You can spend some great quality time in the peaceful environment of Hotels of Matheran. You can get yourself booked into any Hotel of Matheran online by some hotel deals or tour packages. No vehicles are allowed in Matheran so it is extremely peaceful.
