Honeymoon is like the first act of newly enacted play. From monocot, life changes into a bi-player drama. You were alone till yesterday but now on you have a partner with you. With whom you will share your joy and jubilations and trial and tribulations. Honeymoon is a precursor to that important assignment. In honeymoon period you share your experiences and dreams, getting to know each other better and letting the love grow. Most people arrange for a trip to some exotic place hoping for some intimate seclusion and interesting episodes that will be fresh in the memory for long.

Kerala is a dream destination for honeymooners. With its long and virgin beaches, mesmerizing mist shrouded hill stations, winding placid backwaters, exotic flora and fauna, emerald landscape and sophisticated art forms â€“honeymoon package in Kerala is sure to overshoot your expectations by a long distance.

Kerala is situated in the Malabar Coast of south western India. This verdant piece of land is cradled between Western Ghats and Arabian Sea.

Munnar honeymoon package takes you to a mist blanketed hill station six thousand feet above sea level. Munnar invites you with a magic touch which is refreshing, soothing and gentle. This gorgeous paradise was discovered by British and turned into a summer resort. It is sure to fulfill your aspirations of a magical honeymoon. Munnar is situated near the converging point of three rivers. You can go for trekking or mountain biking relishing the rolling hills, undulating meadows, carpet of manicured tea gardens, attractive colonial bungalows, gushing rivulets, cascading waterfalls and other bounties of nature Munnar is endowed with. There is Eravikulam National park nearby which homes Nilgiri Tahrs, an endangered species and rare species of butterflies, plants and animals. A visit to this exotic national park will be ingrained in your memory for long. Anamudi â€“ the highest peak of Kerala is also near Munnar. You can also arrange a trip to Pallivasal â€“ an endearing picnic spot and Matuppetty which homes a breeding center for high yielding cows.

Kumarakom is the ideal spot for honeymooners to savor backwaters. Backwaters is a singular Kerala occurrence. Both manmade and natural canals and inlets combine with branches of over forty rivers and five lakes to form a complex network called backwaters. Before bridges, ferries and roads came, backwaters was the means of transportation for local people. They depended on it for various activities of livelihood like agriculture and fishing. The shores are still alive with these activities of life and adorned by monuments, lush green landscape and fishing nets. The backwaters are dotted by water flowers especially water lilies. Like in other backwater places, Kumarakom also has a beautiful setting. There is also a bird sanctuary at Kumarakom which is frequented by migratory birds. The music from this haven will have a soothing influence on you.

Cruises can be had in Houseboats in Kumarakom. Houseboats are presently icons of backwater tourism. They are modeled on â€œKettuvallams â€œ which were used to transport goods in backwaters. Although the structure remains unaltered Houseboats are luxurious affairs. There is provision for sleeping and dining in Houseboats. Also, a balcony which lets you savor backwaters is provided. Spending a night in Houseboat docked in backwaters will be a blissful experience.

Thekkady and Kovalam are two places that are ideal for honeymooners.
