# Munnar Tourism: Outstanding Places to See by Von Miller

Article published on May 5th 2012 | Vacations

Honeymoon packages from Chennai are numerous but the way Munnar tourism industry has come up, it is actually remarkable. There are innumerous places in Munnar that hold lot of importance as tourist attraction. Below mentioned are the list of places one can visit at Munnar while taking one of the Honeymoon packages from Chennai:

Mattupetty

Mattupetty is known for its Indo-Swiss livestock and is basically a dairy farm. One can find almost hundred types of cattle reared here and visitors can see three out of eleven cattle sheds present in the

farm.

Mattupetty also has a dam and a lake which makes a beautiful place for picnic and boating. Nearby located is the Kundala tea plantation along with the Kundala lake which are highly promoted by Munnar Tourism.

Pothamedu

Often people take Honeymoon packages from Chennai to Munnar to see this beautiful cardamom, coffee and tea plantation which is situated at a distance of merely six kilometers from Munnar. The hills offer lush greenery and breathtaking view which had an air of romance to it and newlywed couples prefer going for quiet walks here.

Devikulam

Devikulam is a hill station which is just seven kilometers away from Munnar and offer velvety lawn with exotic flora and fauna. One can visit the famous Sita Devi Lake here and those who are fond of fishing would find a lot to do here.

Pallivasal

Honeymoon packages from Chennai to Munnar will also enable you to visit Pallivasal, which has extraordinary beauty to offer other than the Kerelaâ€™s first Hydro Electric Project.

Attukal

Enjoy the beautiful waterfall and the view of hills that serve as a feast for eyes. The couples who are fond of doing some adventure will have a great time trekking in the hills here.

Munnar Tourism also offers places like Nyayamakad, a waterfall and trekking point, Chithirapuram tea plantations, Lock Heart Gap famous for adventure tours, Rajamala famous for spotting Nilgirir Tahr and Ernakulam National Park which is an ecological and geo-morphological park famous for its flora and fauna. Coming till Munnar and not visiting Ernakulam National Park would be a waste of time.

Some of the outstanding places are there to see in Munnar. Those who plan a trip to this part of the country would not go unsatisfied for sure as Munnar Tourism has become very prominent in the

past few years and there are many good hotels to make your stay furthermore comfortable.
