Article published on November 25th 2011 | Vacations

Sweating badly? Canâ€™t deal with summers? Well! You can make your summer holidays exciting, within a single trip. Yes, you just have to plan a soothing summer holiday in India. You can certainly go for a hill station or a beach city. However, most people prefer beach cities for their summer holidays as they get to play various water sports along with enjoying gentle scenery of the beaches. The experience of going out in summers is just speechless. Summer holidays takes you out from your monotonous work schedules and also provide some family time.

Summer vacations near coastal places let you explore the amazing beach life and thrilling water activities. Also, kids enjoy spending their time building sand houses, hiding treasures in sand, writing things on sand, or playing next to exotic beaches. So, if you want to experience fun-filled summer holidays, get yourself a thrilling beach holiday package and enjoy.

Best destinations to visit in summers are Goa and Kerala Tours. Letâ€™s know more about these two beach destinations, so that you can chose, accordingly.

Goa is blessed with the amazing beaches, churches, monuments, forts, wildlife sanctuary and carnivals. Goa Beaches are the ideal blend of sand, sun, surf, sea and relaxation. People prefer to spend most of their time on the beaches under the soothing sunlight. Lying on the sand, along the coast gives them a heavenly experience. Also, Goa is the perfect to have some family vacation as it has something for all age group.

Churches are also an important part of Goa trips. They are recognized as lively testimonies of the rich ancient past of the city. In earlier times, when India was ruled by Portuguese, Churches became the prime concern of Goa. This step was taken to spread Christianity all over India. Goa offers most colorful and vibrant carnival to the tourist. These carnivals are one of the most enthusiastically awaited occasions of the year. Also, these carnivals has special place in the hearts of the people of Goa. So, enjoy your summer vacations with Goa beaches, churches and carnivals.

Kerala Tourism, most favorite beach destination of India is a thrilling place to explore. It is a sole city of India, which offers variety of activities to the tourist. One can go for Kerala beaches, backwaters, hill stations, ayurvedic centers, appetizing cuisines, festivals, wildlife safari, forts, monuments and museums. Most of the tourist visit Kerala for its beaches and backwater cruises. Imagine yourself sitting on the thrilling beaches of Kerala, witnessing gentle landscapes, sunrises and sunsets. The experience is truly incredible.

Kerala Backwaters cruise are equally admired by the tourist. Backwater stay offers tourist a lifetime opportunity to experience nature from the closer. Living on a floating house is truly an amazing thing in itself. Take an intelligent decision and spent your summer relaxing on the beach, enjoying beautiful backdrop.

So, make your summer Vacations India interesting and thrilling by availing a travel package to one of these cities. Hope you get best deal, ever.
