Article published on March 17th 2012 | Vacations

Switzerland tour is no less than a visit to paradise. It is a superb blend of heavenly attractions that make its visitors mesmerized and awestruck. It is the most gorgeous country in the world situated in Western Europe where it is bordered with Germany, France, Italy, Austria and Liechtenstein. Though it is a small country but it is one of the richest countries in the world. The picture perfect Switzerland is renowned in the world for its picturesque lakes, snowcovered mountains, high cliffs, green meadow, gorgeous valleys, musical rivers, amazing sightseeing spots, adventurous trekking trails along with world-class amenities that makes it one of the most sought after tourist destination in the world.

Tours to Switzerland is a fascinating experience for thousands of tourists, honeymooners, nature lovers, adventure freaks and holiday makers who visit this country from every nook and corner of the globe. The country has some of the alluring and magnetizing tourist attractions that are truly unique and captivating. A tour to Switzerland offers a remarkable opportunity to nature lovers and honeymooners to enjoy a fun-filled delightful vacation in the lap of Mother Nature. For adventure enthusiasts there is no better place to accept the challenge. It is a best place to enjoy hiking in the zigzag trails of Mendrisio, Bettmeralp and Nendaz. The country has about 4,500 km of mountain biking routes that promises an ultimate freedom to adventure seekers. Weather you like to ride on easy or taxing paths that would go to complete in a single day or multi day, Switzerland has about 9,000 km cycle network which is varied enough to suite all tastes.

Winter Tourism in Switzerland is quite popular among the visitors.

Visitors can enjoy skiing, snowboarding, ski touring, winter walking, snow biking etc which gives them the feeling of simply flying on the surface. Switzerland Tours also provide its visitors to enjoy excursion tours to the nearby places which offers them an opportunity to enjoy the most thrilling experience of their lives and enable them to observe the natural phenomenon and its beauty.

Switzerland is the best place to enjoy vacations with families, as the country is decked with some of the best luxurious hotels and apartments which offer the peak moments of pleasure to its guests. The panoramic beauty of the surroundings, regional dishes from all around the world, world-class wellness facilities along with all round luxury are sure to tempt its guests and helps them to take a break from the cares of everyday life. No Switzerland tour is complete with out shopping. Switzerland is famous for its chocolates, cheese, jewellery, watches and penknives. On Switzerland Tours one can easily explore the country due to Swiss Travel system. It is a powerful network of 20,000 rail, bus and shipping Kilometers that enables the overseas visitors to travel in comfort with in the country. The Glacier Express and Bernina Express are well worth a trip no matter what time of the year it is.
