The excitements in La Rioja can never end up by Kittsie Thomas

Article published on March 17th 2012 | Vacations

La Rioja is probably the best province for explorers in Spain. There are so many excitements and places to visit in this province of Spain that cannot be visited in a short span of time. The best approach to visit La Rioja is to visit it again and again so that nothing remains missing. It is a historical, culturally rich and naturally blessed region. There arenâ€™t many regions like La Rioja on this planet.

An excitement is an old city in the region named as Alfaro. It was a city of Iberos originally and it became a Roman city in 719 B.C after invasion. The city has an old part as well as modern parts. There are ancient churches and remains of civilizations which are nothing less than excitement for visitors. The city is one of the reasons of fame of the region.

One of the exciting places in this province is the Botanic Gardens which are situated on Azogra Hornillos Road. There are hundreds of species of plants present in these gardens from all parts of the world. An agriculture village in the region is Ciruena where many kinds of fruits are grown. There is an ancient church in this village which was created in the tenth century and itâ€™s an exciting place to visit.

Some of the excitements of La Rioja are present in Linares and Alhama valleys. There are villages like Ortigosa de Cameros, Cervera del Rio Alhama and Ezcaray situated in these valleys. Apart from that there are factories, caves, cathedrals, Arabic architectural buildings and plenty of monuments in these valleys. There are culture specific festivals also which are fabulous to watch in these valleys.

San Vicente de la Sonsierra is another exciting place in La Rioja. There is a splendid waterfall near dolmen which is fascinating to view. For an explorer the whole region is exciting and paradise on earth. The reason is that an explorer can find exciting places in all the places of the region. People that like to see the rural Spain should visit La Rioja. This region is full of villages and agriculture lands. There are fruit trees and vegetable fields which are sources of most of the fresh eatable items in this region. The atmosphere in the province is peaceful and fresh. It is probably the best part of Spain for relaxing and enjoying the natural life.
