Choosing the Perfect Wedding Venue for your Princess by Kindra Leomiti

Article published on April 16th 2012 | Weddings

According to the 1995 movie A Little Princess, all girls are princesses. It's safe to say that almost every girl has dreamt of becoming or feeling like a princess at some point in her life. Naturally, it's a man's duty to treat any lady like a princess â€“ especially if she's your soon-to-be bride.

If life were a book, marriage would be an unforgettable chapter. It signifies the beginning of a new life together with the person you feel you cannot live without. Because weddings officially start off your life as a married couple, it's important to make the ceremony as glorious and flawless as possible. One of the things that should be on top priority is the wedding venue.

Choosing the location for your wedding can be quite a milestone around your neck; however, it's a great opportunity to turn your princessâ€™ dreams into reality. There are a variety of options available, ranging from white-sand beaches to historic castle or mansions. Go through feasible choices and settle for what would work best for you.

Before settling in a specific place, though, consider factors such as the number of guests, the distance between the reception venue and church, space allocation, electrical requirements, and your budget. If you're having trouble with the decision, consider asking help from professional wedding planners or people whose opinions you trust. Remember that the wedding ceremony is a team effort between the couple and planners â€“ meaning, taking on the task alone is highly unnecessary.

Lake Tahoe offers a treasure trove of potential wedding venues. Itâ€™s a major tourist attraction in both Nevada and California, topped with picturesque mountains and breath-taking lakeside sceneries. The place is also home to several 19th and 20th century palatial homes. Lake Tahoe wedding venues are available throughout the year; all you need to do is figure out the logistics of the event to get the planning and organizations.

When choosing wedding venues in Lake Tahoe, take time to look around and ask a list of the venue's policies. Some establishments have restrictions on wedding decorations or attire which can prove to be a nuisance down the road if not anticipated. For instance, thereâ€™s a chance some guests won't be allowed to enter the venue if theyâ€™re not dressed in the prescribed attire.
