Custom Bowties, Australia - the many wonderful designs by Jenny Mathew

Article published on April 4th 2012 | Weddings

Bowties custom-made in Australia are definitely in big demand when there is a wedding in Australia.

The stuff weddings are made of

Weddings are most definitely about the bride, the groom, the bridesmaid, the best man, the reception and of course the big day itself. The sad part about any wedding is that though the groom as well as the groomsmen, may be very much part of the wedding, they are more often than not, neglected and also taken for granted.

One of the best ways of making the groom and the groomsmen feel that they are actually a part of the wedding and not some spare parts, is by getting them bowties that are custom made.

What are Custom bowties, Australia?

These bowties are custom designed fashion pieces. Though these are always considered to be very formal, they can be made much more interesting when they are made of prints and they are then worn with a matching navy coat. These make the wearer look much trendier.

It is also definitely an awesome idea to get the bowtie of the groom custom made to match the gown of the bride and in the same way, making bowties for the groomsmen that will match the gowns of the bridesmaids.

Different ways of matching

bowties of the groom and the groomsmen could be custom made to match the gowns of the bride and the bridesmaids by matching them with the fabric or the colors of the gowns.

There are so many options that are available for custom made bowties. For instance, if the fabric of the wedding gown of the

bride is made from ivory silk pique, this could be used in the making of unique custom made bowties for the groom. And, the fabric could even be used to make bowties for the groomsmen.

Bowties custom made for college sweethearts too

If you were college sweethearts and you finally decided to get married one day, perhaps you may find it a good idea to let your

alma mater be a part of the wedding. You could even have these bowties custom designed to show the color as well as the logo of your school, if you so wished.

On the other hand, if the both of you are members of some country club or yacht club or tennis club, then you could also get these custom bowties, Australia made to have the logo of your club on them. There is just so much that you can do with these custom made bowties in Australia.
