Vintage Wedding Invitations for That Dream Wedding

Have you ever thought of having vintage wedding invitations? There are many occasions in our lives which are very near to our heart. The memories associated with those few days never fade from our memory. One of those days is the day of our marriage. The day of marriage holds a very important place in the life of every couple. Due to such great importance, it becomes obvious that the celebration should be grand and everlasting.

Nowadays the trend of having unique invitations and wedding theme can be widely seen among couples. They look for something fresh, which had been never tried before, that will this big day turn into a magnificent one. The wedding invitation cards are the first impression that you leave on your guests, so that they can get an overview of what going to take place on the actual day. An invitation card, for wedding purpose, carries detail not only about the bride and groom but also the theme of your wedding day. So choosing the apt one is very necessary.

When we are talking about the wedding invitation cards, you might have heard of the Vintage wedding invitations as well. The first thing that comes in our mind regarding Vintage is creativity and class. And why not, it is an epitome of grand and fine quality which suits perfectly as a wedding invitation card.

Types of Vintage Wedding Invitations

Vintage Wedding Invitations will never fail to impress your guests! Though designing such invitations can take time, it is a complete fun activity where you can show your creativity and the outcome will be just worth the effort. There are many innovative ideas with these wedding invitations that you can try and some of those ideas are like:

1. Get into the mood of Eastman color era! Select any of the most romantic scenes ever from classic movies like Gone with the Wind, Casablanca, Bell, Book and Candle and get printed them on your cards. This will create a romantic theme for your wedding and the guests will surely not stop boasting your romantic concept.

2. You can even try out little crazier by selecting a postal theme. This will add a retro effect to the entire invitation theme as letters were the first systematic and reliable mode of communication. Be a little creative and add stamps with funky and personalized photos.

3. Instead of using normal paper, you can go for Kraft paper. They are the best example of the by-gone vintage style. Without adding any added effects, simply use the use of the paper and pen down your message on Vintage Wedding Invitations with perfect retro script.

Choose a Unique Theme with Vintage Wedding Invitations

If you love historian culture, Vintage Wedding Invitations is the answer for your wedding theme. You simply peep into history and get ideas about the elegant and grand wedding of those days. If you want your entire marriage theme to adopt a vintage style, you need to focus on many things like flowers, decorations, food, costumes etc apart from the invitations card.

To go with the flow of your vintage wedding invitations, you need to choose a wedding gown very

wisely. A Victorian wedding gown will be your ultimate choice for such a theme. It will not only compliment the theme of your big day but also add a touch of class and elegance to your wedding outfit. If you are not willing to wear an antique outfit, you can even go for modern gowns with vintage touch. Do not forget to add diamonds, pearls or ivory in your jewelry item as they signify a lot from those by-gone eras!

The overall decoration of the wedding venue, apart from the vintage wedding invitations, plays an important role in creating the ambience of the vintage theme. Everything right from your costume and cards will go in vain if you fail to build up an environment related to the theme. Choose vintage ivory laced hand fans, lovely birdcages, antique paintings of history, vintage crockery, royal candle stands and much more to create those apt surroundings for your guests. Apart from this you can select a 3 tier wedding cake and happy married life sign boards at the entrance to add that special effects to your theme. Do not forget to include flowers in vintage decorative vases on the way and on each table as they will add blooming effect to the environment.

The venue of your wedding should be an ideal one. Try selecting barns or countryside locations, with lot of fresh farms and animals like horses and cows, to add the vintage touch. After keeping in mind these few essential things, you can have an absolutely dream marriage! It needs a deep thinking and creativity and you have it all! Start planning for your big day with vintage wedding invitations!
