A wedding ceremony would not only be a significant event for the new couple, but also a triumphant paradise for other guests. When the big day comes, the guests would come from all corners of land, gather here to witness the historical moment for the boy and the girl. So it is quite essential to regale those lovely people who save their date in the midst of pressing affairs. While the problem is that how to arrange a successful wedding ceremony? It seems that someone could dexterously arrange their reception and make people quite satisfy with the party, while others spend a long time preparing the reception but the result turn out to be a great mess, whatâ€™ the problem. Now here, we will talk about the philosophy of wedding treatment .Hope you could learn some witty and functional ideas for your wedding reception.

Wedding Table Arrangement

Letâ€™s set the food for reception aside at first , one of the key elements to the wedding reception may be the layout of wedding tables .It is quite evident that stunning wedding tables decorations may gladden your heart and please your eyes. On the one hand ,good table manners would stress your etiquette, on the other hand , according to the survey that beautiful environment may promote your appetite .What you should prepare is delicate tablecloth, exquisite name card or menu(this is vital for a indoor sit down reception.). The fabric of tablecloth can be something like cotton textile , chemical textile and so on. The color of tablecloth had better cater for the theme of your wedding if there exist a theme. Light color could effusing an elegant touch while the deep color would present your passion. With the edge of the cloth trimmed with lace, the guests would easily learn your crafty arrangement. Setting a vase at the table would no doubt add romance to the whole wedding. Glass vase would present a magical touch ,which would remind people of the well known story of Cinderella. Vase made of China would present a sophisticated feel .Remember not all kinds of flowers are suitable for your table .According to the survey ,those flowers may do harm to your bodyï¼ša)tulips, b) maguey c) narcissus d) azalea and so on. Before you decide which flowers you take for your wedding table ,you had better search the Wikipedia for more information about that.

Food

After you have scheme out the project of laying your table, another thing you should put on the agenda should be the wedding food. You shouldnâ€™t let your friends disappointed. Though the food may cost large sum of money ,while donâ€™t be grudge. Wedding may be your once-in-a-life event ,so donâ€™t pursue to save your budget at this segment. What I mean here is not pursuing those rare food , you should ensure that the food you provide is delicious and in sufficient quantity. Now letâ€™s start.

1) Pre-dinner drink

After a long journey , the guests have arrived at your wedding party, they must be thirsty. At this time ,a cup of drink would show the hostsâ€™ hospitable character. So a drink station or open bar will be perfect at this time. Soft drinks ,which would be proficient in appeasing thirst as well as perking people up are suggested at this time. Avoid those drinks which are high in calorie, they are quite unhealthy. Donâ€™t forget to prepare light ,crunchy food so that the guests would enjoy the time when they are chatting.

2) Appetizer

Before the main course is served , appetizer available for the guests. Keep them bit-size and finger

friendly. According to the convention, you should control the quantity of appetizer, otherwise the guests may have no stomach for the Main course. Provencal fish coup, mini cheese cake or tart-sweet fruit pastry are suggested.

3) Main Course

For the main course, itâ€™s time for the guests to stuff their face. Roast chicken, beefsteak with potatoes, bloated fish, fresh oystersâ€¦â€¦various delicious food offer you diversified options. If you hold a outdoor wedding , a barbeque picnic couldnâ€™t be better.

4) Dessert

After the main course, itâ€™s time to have dessert. Sweet-smelling cheese cake, well-cooked pie and things like that.
