Preface

After you decide when you will hold your wedding ceremony ,the next step is preparing for the big event . Wedding invitations ,which play as a clue for your wedding, will help those invitees catch a glimpse of what your wedding will be. Moreover, it is generally believed that the wedding invitations you choose will reflect your personality and taste. So it is such a key segment to choose the right wedding invitations.

For those youth who are in favor of fashion and new born things ,they always would like to choose photo wedding cards for the significant event. As a matter of fact that photo wedding cards feature various advantages that other style never own . Today , I will start my topic around photo wedding invitations.

The Origin

Photo wedding cards can be dated back to 1990s as the development of digital photos and digital printing technology. At that time , photo wedding stationery are still rare things. Someone intelligent persons who want to create an unique memory gained inspirations from the traditional picture frame. They thought that photo adding to the frame can be memorable and beautiful ,why not attach a photo to the cover of wedding invites in a similar way? The audacious idea turn out to be a great success.

The advantages

Compared with other kind of presswork, photo wedding cards feature more individuality. If you customize normal wedding cards, you can at most choose the color, the font, this will make it hard to show the difference. While if you choose photo wedding cards , just pick several photos either casual or formal adding to the design, you will find it really marvelous. The imagic design speak louder about the eternity romance, which will no doubt obtain othersâ€™ attention and leave an exclusive memory for both you and the recipients.

Another benefit of photo wedding cards is that this design is quite versatile . No matter what your wedding theme ,you can always find the proper photo cards. For example ,if the theme of your wedding is flower, you could pick such a wedding card with stunning roses borders.

Attention

Although photo wedding invitations have diversified advantages ,but you should also pay attention to those things .

a) Photo wedding cards are more expensive than normal digital printing ones due to the more complicated and meticulous crafting. If you want to cut your budget, please think carefully.

b) The photos you pick to customize the cards had better cater for the original design of the wedding card, in other words , you had better make both the photos and the cards cater for your wedding theme.

c) By the way, If you can add some special elements to the photo wedding cards in order to create

an exclusive touch .
